

Ana Marián Hernández Alemán (Obelisco Campus)

University, Field of Studies: ULPGC, Spanish Language and Spanish Literature

Previous experiences in ERUA events/activities: No, I do not have previous experience in activities from ERUA but I am really excited to be part of this new experience.

Their hobbies and interests shortly and major?: My true passion is traveling around the world and meet foreign people because is the best way to know about other cultures. Also, I am really interested in reading books, doing sport and listening to different types of music.

Why did you become an ambassador for ERUA? What inspires you?: My main reason is because is a way to be continuously connected to the international world because currently I live the Erasmus experience and It is one of the most important opportunity that I had have in my life. Last but not least, I care a lot about education system because in the future I want to be a language teacher, so communication and education are my priorities.
