

Awanish Srivastava

It's me Awanish (Awi), a Master of Digital Entrepreneurship (MoDE) student at Europa-Universität Viadrina in Frankfurt Oder, Germany. I enjoy travelling to new places, experimenting with cooking, playing cricket, and staying dedicated to my work. Additionally, I am deeply interested in providing guidance to others and helping them grow in their future endeavours. I am inspired by the potential for positive change and the opportunity to travel and connect with diverse cultures and perspectives, which broadens my understanding and fuels my passion for making a meaningful impact. Becoming ERUA Student Ambassador was a natural step for me as I wanted to actively contribute to the mission of fostering cross-cultural exchange and collaboration, and to help create a supportive and inclusive environment for students across the alliance. My previous experiences with ERUA events include participating in the European Student Assembly 2024 in Strasbourg, France, having a memorable time at the ERUA get-together and attending the ERUA kick-off at EUV. I have been continually amazed by the impactful work ERUA is doing and I am looking forward to collaborating with you to shape ERUA's future.
