Field of Studies - Translation and Interpreting student

Your hobbies and interests - My hobbies or interests are mainly, hanging out with my friends, watching series, listening to music, going to the beach, and reading.

Why did you become an ambassador for ERUA? What inspires you?
Becoming an ambassador for ERUA represents a unique opportunity to bridge diverse cultures, ideas, and perspectives, which is incredibly inspiring to me. The chance to engage with students from different backgrounds, and to be part of a shared European experience, aligns perfectly with my personal and academic goals.
