

**Emilia Mozotowska**  
**SWPS Warsaw, Law**

No previous experience with ERUA.

Swimming (+ being an instructor in this sport), reading (mostly criminals and thrillers), writing articles, love to travel and learn about other cultures

I became an ambassador for ERUA because I wanted to connect with other students from abroad, travel, improve my English skills and maybe learn something new from others. Also it may help me to find my path in the work field.
