ERUA2 Educational Innovation Projects (PIE-ERUA2)
Call 2025
Provisional Resolution

As stated in the 2025 Call for Interuniversity Educational Innovation Projects within the ERUA Strategic Alliance of Universities, for the 2025–2026 and 2026–2027 academic years:

The selection of project applications will be carried out by an external selection committee, which will conduct a peer review process.

Once this peer review process has been conducted, the provisional list of accepted projects together with the assigned points according to the evaluation criteria is presented in Annex I. A period of ten (10) working days, starting from the day following the publication of the Resolution is now open to appeal the provisional list.
