

### **Izan Suárez Nuez**

- Field of Studies: ULPGC, Modern Languages (English-French itinerary).
- Previous experiences in ERUA events/activities: I participated in a travelling seminar that took place at the UP8 in March 2025. Moreover, I collaborated on the Sustainability Forum which was in the Paranymp of the ULPGC the past May.
- Hobbies and interests? My main hobbies are listening to music, going out with my friends, spending quality time with my family and pets.
- Why did you become an ambassador for ERUA? What inspires you?: I wanted to be an ambassador as it provides a wide variety of incredible opportunities not only to connect with students and lecturers from the alliance but also to grow and improve as a person who is keen to learn. I found the ambitious projects that ERUA offered to the students to be quite inspiring in the first place.
