

Pablo Paz Oliva

- Field of studies: Veterinary Medicine
- Previous experiences in ERUA events/activities: Speaker and participant in the “Young Forum for Action on Sustainability and Climate Change”, 2025.
- Hobbies and interests: Hobbies: diving, gardening, hiking... Interests: wildlife, conservation...
- Why did you become an ambassador for ERUA? What inspires you?: I decided to become an ERUA ambassador to be able to understand other points of view and different cultures, as well as getting a more complete university experience for me and for other students.
