

Wedad GHRIBI

1- Do you have any previous experiences in ERUA events/activities? If yes, what were they?
I've never taken part in an ERUA event or activity, but the first time I discovered ERUA was when a student working for ERUA spoke about the intensive courses initiative in one of my classes in my first year.

2- What are your hobbies/interests and what is your major?

I like reading books and cooking desserts in particular. I'm also interested in international relations, which is why I'm majoring in political science, and I'm about to start my third and final year.

3- Why did you become an ambassador for ERUA? What inspires you?

I became an ERUA ambassador because I'm passionate about initiatives that bring people together, promote cultural exchange, and encourage learning. I'm inspired by the opportunity to connect with other people and contribute to a vibrant academic community. I like the concept so I want to be part of it.
