

Aghlahoum Mbeirik Abderrahmane

ERUA Student Ambassador

Field of Studies: Industrial and Civil Engineering

Hobbies and interests: Although I don't have a specific hobby, I have a strong interest in cinematography.

Motivation to become an ambassador for ERUA:

I chose to become an ERUA ambassador because I was drawn to the opportunity to take part in projects aimed at improving the university environment. I'm particularly inspired by initiatives that support and empower students by helping them expand their knowledge and skills within our fields of study.
