

Serena Cinquepalmi

ERUA Student Ambassador

Field of Studies : MA student in Languages, cultures, and literary translation

Hobbies and interests:

Foreign literature is my primary focus - I'm particularly drawn to Chinese books that explore female empowerment and emancipation. I'm interested in studying the theme of the coexistence of different cultures in certain regions of the world and human rights.

Motivation to become an ambassador for ERUA:

Through ERUA, I would like to travel around the world to meet and explore new cultures and customs, becoming more and more inspired by the beauty of being in a colorful world.
