## Save the Date: ERUA-VIADRINA Research Week!

Are you an early-career researcher looking to build an international network and advance your career? Join us for the **ERUA-VIADRINA Research Week**, taking place **October 5–9, 2026**, hosted on-site at the **European University Viadrina**!

This week-long event is designed to support researchers from all ERUA partner universities in strengthening their international careers through targeted workshops, discussions, and networking opportunities.

### Highlights include:

- Workshops on Managing Research Projects, AI Tools for Research, Scientific and Grant Proposal Writing, Research Ethics and Responsible Conduct of Research, Conference Presentation Training, Mental Health and Resilient Research, as well as a workshop linking research with entrepreneurship
- The highly appreciated “Meet the Viadrina Researcher” format
- A keynote and discussions on Care Work and Academia
- Social events, including a guided city tour

In addition, an online **pitch training** will take place on **September 18 and 25**, from **10:00 to 12:00 CET**.

We encourage you to **save the date** and start planning your travel. Please check with your university to see whether **Erasmus funding** may support your travel and accommodation costs. Participation is **free of charge**.

The final schedule and the registration link will be available in **summer 2026**. We look forward to welcoming many participants and fostering an inspiring exchange of ideas!
