

Areti Psarra

ERUA Student Ambassador

Field of Studies: Master of Arts (MA) in "Governance, Development and Security in the Mediterranean"

Hobbies and interests:

In my free time, I enjoy reading about international and European issues, learning about new technologies, history of different countries, travelling, and meeting people from different cultures. I also like interior design and participating in activities that promote learning and cooperation.

Motivation to become an ambassador for ERUA:

I became an ERUA Ambassador because I wanted to be part of a community that brings students together and encourages collaboration across cultures and countries. I am inspired by the idea that education can connect people, create new opportunities, and have a positive impact on society.
