ERUA Student Ambassador

Field of Studies : International, European and Comparative Legal Studies

Hobbies and interests:

In my free time, I enjoy reading, mostly books about women's experiences and perspectives. Every now and then, I also pick up a non-fiction book if a topic really interests me. Another hobby of mine is journaling. Writing helps me organize my thoughts, express myself, and become more aware of both my own experiences and those of others. Besides my major, I'm interested in a lot of humanities fields.

Motivation to become an ambassador for ERUA:

I wanted to become an ERUA Ambassador because I enjoy bringing people together and turning ideas into meaningful activities.

I like organising events and creating opportunities for students to connect, learn, and engage with one another. I hope to dedicate my time and energy to building an active student community and introducing initiatives that are both interesting and valuable. Most importantly, I want to leave a positive impact and encourage more students to take advantage of the opportunities ERUA offers.
