

Paula Díaz González

ERUA Student Ambassador

Field of Studies: Early Childhood Education

Hobbies and interests: My main hobbies include listening to all kinds of music, going to the beach or doing any activity near the sea, and keeping the world of cinema alive.

Motivation to become an ambassador for ERUA:

From the welcome session, where I learned what ERUA is all about, I found it to be a fascinating project. Beyond organizing social activities—which help young people connect with the needs of their community—it opens many doors to meeting students and experiencing the culture of various parts of Europe. It also ensures that everyone has an equal say in all the projects and activities carried out.
