

Tala Zalloum

ERUA Student Ambassador

Field of Studies: Digital Media Design

Hobbies and interests: My main interests are art, design, video games, and music. I enjoy exploring creative ways to combine technology and design, and I am always interested in learning new skills and discovering different forms of digital creativity.

Motivation to become an ambassador for ERUA: I became an ERUA ambassador because I wanted to connect with students from different countries, gain new experiences, and be part of an international community. I am inspired by creativity, collaboration, and the opportunity to learn from people with different perspectives and backgrounds.
