

Williad Kalwani

ERUA Student Ambassador

Field of Studies : International Finance and Economics

Hobbies and interests: I enjoy connecting with people from different cultures, sharing ideas, and contributing to international academic communities. I like swimming; travelling and exploring new cultures; adventure and outdoor activities; music and I enjoy experiences that challenge me, inspire creativity, and help me connect with people from different backgrounds.

Motivation to become an ambassador for ERUA: ERUA inspires me because it creates opportunities for students to learn beyond borders, collaborate internationally, and contribute to innovative ideas.

As an ambassador, I will motivate fellow students to take advantage of ERUA opportunities, participate actively in events, and become more creative and innovative in line with ERUA's vision and mission. I want to help students build connections, gain international experiences, and feel part of a strong European academic community.
