RHODES

Useful map

The University of the Aegean sits outside the old city wall. The Student Diner and Library are also housed there.

Transportation

For the bus timetables, check out **here**

Accomodation

Rhodes Town is one of the most touristy locations in Greece, so there is a variety of accommodation (many hotels with swimming pools!), usually hard to find during the summer season. There are also very unique choices within the castle, but below, you may find reasonable suggestions around the old town and port area.
